Redelegation of Authority – Cashiering Operations on Campus

The guidelines in UC Business and Finance Bulletin BUS-49, Policy for Cash and Cash Equivalents Received, establish the Chancellor's responsibility for the conduct of all campus cashiering activities, including Associated Student-operated activities.

The authority to assign the responsibility for oversight of all cash handling operations on the campus, including those of the Associated Student, is hereby redelegated to the Manager, Financial Services.

This authority may not be redelgated further and supersedes Chancellor Cicerone's August 20, 1999 delegation on the same topic (IDA 297).
